

TOWN OF TRURO
Shaping Our Town's Future

PUBLIC NOTICE
SIGNS ON UTILITY POLES

Take notice that Nova Scotia Power Inc., Aliant Inc. and the Town of Truro do not permit signage on utility poles. Section 6.7(f)(k) of the Town's Land Use By-law prohibits all signage on utility poles. The Town of Truro will take action to enforce this by-law.

The Town is currently in the process of exploring optimal locations for public notice/bulletin boards. The public are invited to offer any comments or suggestions.

Should you require further information pertaining to this issue, please contact the Planning and Development Office at 895-1148.
