This map is subject to amendment through a formal public process affecting the development status of properties. To demonstrate continuity this map shows transportation networking and environmental conditions that extend beyond the corporate limits of the Town of Truro. In some instances land use designations or zones may share jurisdictional authority with Provincial Government; therefore, any interpretation of this map must be confirmed with the Municipality in which the property is situated and where necessary with the appropriate Provincial Government Agency. To receive further clarification about the use of this Planning Document, inquiries may be made to the Town of Truro Planning and Development Department.
