Contest Time ~ The Town of Truro and the Downtown Truro Partnership Encourages Town Residents and Business Owners to Decorate for Canada Day

TRURO – Sadly, due to the COVID-19 pandemic, we are unable to proceed with our downtown Canada Day festivities in Civic Square.

Even though we are unable to celebrate our wonderful Country together, lets show our Canadian pride by decorating our homes and businesses, all while practicing safe, physical distancing!

The Town of Truro and the Downtown Truro Partnership challenge residents and business owners of Truro to take part in this friendly, patriotic competition.

“COVID-19 may have put a damper on our typical Canada Day celebrations; however, we can still show our Canadian spirit and further beautify our amazing community!” ~ Mayor Mills

“We are excited to see what the residents and businesses come up with! While it's disappointing that our annual Canada Day events had to be cancelled, we are hoping this fun competition will lift spirits and be a great opportunity to show some Canadian pride!” ~ Jenn Mantin, ED of the Downtown Truro Partnership

For complete contest rules, please visit the Town of Truro website:
