**Sponsor a Park Bench in Truro's new Civic Square!**

**Truro** – The Town of Truro is now offering to everyone the possibility to sponsor one of the 20 benches located in the Downtown Civic Square.

At the cost of \$1,500 each, these classic Park Benches are made from solid cast aluminum. The sponsorship includes installation, a customized plaque, and maintenance for 10 years.

A bronze-casted or stainless steel plaque will be placed on the bench for dedication purposes. Plaques are a standard size (2 inches by 6 inches) which allow for three lines of text, each with a maximum of 22 characters, including spaces and punctuation. Sponsors may choose to include their company or organization's logo on their plaque.

*"This is a unique opportunity to show your community that you care and support Truro's Civic Square" said the Town's Chief Administrative Officer, Mike Dolter. "And the fact that you can personalize your bench with a plaque – Celebrate a special birthday or anniversary, commemorate a loved one... it could be the perfect gift to mark any special event!"*

The Town of Truro's Planning Department is coordinating this project. More information, including the application form, can be found on the Town of Truro's website. Non-profit organizations can ask for a discounted price. These sponsorship opportunities are eligible for an official tax receipt.
