Town of Truro Councillors Raymond Tynes and Cheryl Fritz will be hosting a community meeting on September 4th at 7:00pm at the Truro Fire Hall. The purpose of this meeting is to discuss concerns regarding odour issues and environmental pollution, and any other concerns residents may have that they would like to discuss. Local business representatives from the businesses who may be involved with odour issues have been invited to the meeting to discuss their plan of action. A representative from the Department of Environment, as well as the local MP and MLAs have been invited to attend as well.
