Licenses, Garbage Hauling

On motion of Councillors Hutchinson and Reynolds, the following amendment to By-law #22 was approved, with the Clerk authorized to forward it to the Minister of Municipal Affairs for approval -

- 37A. Every vehicle, whether licensed hereunder or otherwise, used in the collection or hauling of garbage or other material, to the Truro Sanitary Landfill Site shall be so loaded as to prevent and shall be so constructed or equipped to prevent any of the contents of the vehicle from falling out of or otherwise being spilled from the vehicle while in motion.
