The Town of Truro will receive applications for a Stationary Engineer (Arena) Operator in Training position. This position is based out of the Colchester Legion Stadium and is a permanent full-time position, subject to the terms between the Town of Truro and the Canadian Union of Public Employees (CUPE Local 734).

Nature of the position:
The Parks, Recreation and Culture Department areas of responsibility consist of Victoria Park, the Outdoor Pool, Colchester Legion Stadium, parks and green spaces throughout the Town, the Civic Square including the Outdoor Rink, flower beds, Victoria Square, TAAC Grounds, walking trails, sports fields, Kiwanis Park, planters and litter collection.
The Colchester Legion Stadium has a Class II Refrigeration Plant, with Certified Stationary Engineer Operators and the Operators have direct responsibility for the Refrigeration Plant. This position is classified at the Operator in Training level and the incumbent is required to become fully functional in the operation of the refrigeration plant and to obtain a minimum certification level of Class II Stationary Engineer Operator.
The primary responsibility of this position is to be fully functional as an Operator in all of the daily operations of the Stadium’s refrigeration plant. In addition, responsibilities extend to the care and maintenance of the facility to include, but not limited to, maintaining the ice surface, janitorial services, and facility set up.

Qualifications and Requirements:
➢ Completion of Grade 12 Education or equivalent;
➢ Participate and obtain Class II Stationary Engineer Operator Certification;
➢ Valid Nova Scotia Class 5 Driver’s License;
➢ Basic knowledge of the operation and daily maintenance procedures related to the Refrigeration Plant;
➢ Working knowledge and experience operating ice equipment, including the ice resurfacer;
➢ Basic knowledge of the operations of the Colchester Legion Stadium;
➢ Completion of WHMIS;
➢ Emergency First Aid;
➢ Knowledge of the Occupational Health and Safety Act and the Town’s Occupational Health and Safety Program, relevant to the provisions that apply to this work;
➢ Knowledge of the assigned equipment, materials, tools and procedures relevant to the work;
➢ Trouble shooting ability associated with assigned tools and equipment;
➢ Ability to interact with the public in a polite, friendly and respectful manner.

Working Conditions and Physical Environment
Applicants must possess the physical strength and ability to perform moderate to heavy manual labour, including frequent bending, walking, kneeling and heavy lifting, for extended periods of time in all weather conditions, including inclement weather (snow, rain, wind, cold).

Wage Rate:
As per Schedule “A” of the CUPE Local Union 734 Collective Agreement. The incumbent will be required to work shift work, including days, evenings, and weekends.

Application Provisions:
Interested applicants must submit a resume with a concise covering letter highlighting relevant qualifications and experience. Competition number must be clearly indicated on the envelope and covering letter. Only applicants selected for an interview will be contacted.

Start Date: Immediately
Salary: In accordance with the Collective Agreement between the Town of Truro and CUPE Local 734.
Closing Date for Applications: Tuesday April 9, 2024 at 4:00 pm
Forward applications to: Tammy Totten, Manager of Human Resources
